

a Winter for the Children

Lodge Box Report

A week after attending summer camp, Jake fell ill. He was 13. He was diagnosed with leukemia. He became our Lodge Box Chairman since it was something to do indoors; his illness prevented him from doing service outside. He fell in love with the box. Ever the salesman. He had a smile that you couldn't say no to.

While battling his illness he also was a spokesman for fourth and gold. It was a charity founded by one of his nurses. Any chance he could he would volunteer at an event to raise money for the charity.

Unfortunately, Jake's battle came to an end Easter Sunday 2020. He was surrounded by his loving family.

The lodge box pays tribute to Jake every fellowship. His picture is put on the counter for everyone to see. His memory is always with us. Saturday September 24th would have been his 18th birthday. A lodge member asked if we could share with them the total sales of that day. They wanted to donate that amount in Jake's honor to fourth and gold. The members of our lodge came out and spent their money. The donor will be matching the amount set for the day.

To Jake, the box isn't the same without you. Please know you are missed and loved always. Thank you Jake for the time you spent in there. It was truly a pleasure to be in your presence.

Yours in Brotherhood,
David Boudreaux
Lodge Box Adviser

Greeting Echokotee!

Fall Fellowship was a huge success! Congratulations to all of our new members. I hope that you join us in January for our Winter Fellowship where there will be no service and no ordeal. For those of you who unfortunately missed this past Fall Fellowship, it was a blast. Pow Wow was awesome, Echo Shows were great, Service went smoothly, and we got things done. There were over 350 brothers in attendance. We were just shy of 100 ordeal inductions. At our Sunday Business meeting, almost every inch of the Taylor Dining Hall's newly done floors were packed with energetic Arrowmen. I can't wait to see what excitement we all bring come Winter Fellowship January 6-8. I can't wait to see you then, in the meantime enjoy the Holiday season that is approaching.

Yours in Brotherhood,

Howdy Echockotee!
I had a great time at Fall Fellowship and am certainly excited to see all of you again at Winter. I want to welcome again all of the new members of the Lodge Executive Council and the new Chapter Chiefs, as well as their vice chiefs and other positions, and I hope we are all looking forward to when they will officially take the reigns at the end of Winter Fellowship. Speaking of Winter Fellowship, the Training Committee is listening to all of your suggestions for classes and I want to say we have some good things in the works, so you all will have to stay tuned for that. That's all from me except for one thing: if you give a mouse a cookie, he's going to ask for a glass of milk.

Yours in Brotherhood,
Jacob Raynor

Howdy Arrowmen! I personally had a blast at Fall Fellowship. It is truly astonishing that we are back to pre-covid numbers and we are continuing to seal more memberships within the bonds of brotherhood. The spirit of all the members of this lodge is something that is always growing. I would especially like to thank everybody for continual support by electing me your Lodge Treasurer for a 3rd term! Congratulations to all newly elected Officers! See you all at Winter Fellowship!

Treasuring On,
Tristan Baker

Hello Echokottee Lodge!!! Feels like just yesterday I was signing off as Chief of Timucuan. I had a blast at SLS and Fall Service day and I hope you did too. I am so ready for the Historical competition, and I hope you are as well. I'm confident the Historians will put on quite a show. It was an honor to serve as Lodge Historian these past two years and I can't wait to serve you further as your Vice Chief of Programs. Merry Christmas everyone, can't wait to see you all at Winter Fellowship.

Nicholas Pagliocca

Training Report

Good Day Echokottee lodge, I had a fantastic time at Fall Fellowship talking, training, learning, networking, the whole shebang. I have been super happy with the response to the survey I sent out at the end of Fall Fellowship, and that is still open so if you would like your voice heard on what kinds of classes we perform next fellowship, please respond to that survey. Speaking of next fellowship, if you are interested in teaching a class or have historically taught classes in the past, don't hesitate to get in contact with me. I am still in need of as many teachers as possible, and as a wise man once said, many hands make light work.

Can't wait to see all of you at Winter Fellowship, ready to acquire knowledge.

Yours in Brotherhood,
Holden Mendez
Training Chairman

Tunkashila

Howdy Echokotee Lodge!!!! Tunkashila had an AMAZING Fall Fellowship with a lot of participation in many committees and activities and we had 40 new Ordeals!!!! We just had a very successful Spookoree as well with our usual Spooky trail. Our trail was set up really fast and turned out very spooky and all the cub scouts and adults loved our trail, thanks to all our youth leaders! We are super excited preparing our theme for next fellowship and can't wait to see everyone else's themes and spirit gear!

Yours in Brotherhood,
Hunter Jones

Potano

GOOOODD DDAAYY
EECCHHOOCCKKOOTTEEEE! Potano had a blast at fellowship and are super happy with the service we did. We feel we've earned a relaxing Winter Fellowship. It was great to see the lodge back to normal and with such high attendance! Seeing a break in tradition by having Wekiwa deservedly win SONIC was awesome and refreshing. Our chapter's flourishing right now and our officers are gearing up to pass the baton come Winter Fellowship. It's an exciting change for a great new year! We can't wait to see everyone at Winter, relax around some fires, show off some spirit, and wear some swag! Till Winter!

Bayan Mahmoodi
Potano Chapter Chief
